RE: Amended Reports for ASLRRRA PAC (C00298190) filed on July 15, 2008

Dear Friends:

On July 15, 2008, ASLRRRA PAC (FEC Committee Number C00298190) filed a number of amended reports, beginning with the 2004 30-day Post-General report and ending with the 2008 April 15 Quarterly report. These amended reports correct the committee's filing with regard to nine omitted transactions over the course of these reports.

Five of these transactions involve operating costs which were not captured by the committee's prior accounting practices. Changes have been made in ASLRRRA-PAC's internal accounting practices to capture such operating expenses in the future. Four of the omitted transactions were contributions or in-kind contributions omitted due to inaccurate filing practices that have since been altered. In addition, ASLRRRA-PAC will subsequently record all contributions in the FECfile software contemporaneous with the issuance of contributions.

The omissions, and the reports on which they are contained, are itemized below. These omissions have been corrected on amended reports filed today. Amended reports during the period in question have been filed for all reports in order to update opening and closing cash balances listed in those reports.

1. FEC-154526: A \$9.00 account research fee incurred on 11/18/2004 payable to SunTrust Bank was omitted from this report, impacting the opening and closing cash on all subsequent reports.
2. FEC-211292: Of two identical \$156.00 charges only one was reported, leading to an underreporting of expenses incurred on 1/31/2006. In addition, a \$5.00 account analysis fee incurred on 3/28/2006 payable to SunTrust Bank was omitted from this report, impacting the opening and closing cash on all subsequent reports.
3. FEC-230398: A \$195.00 postage charge incurred on 5/25/2006 payable to US Postmaster for the purposes of mailings to the ASLRRRA solicitable class was not reported. In addition, a \$37.55 purchase of cardstock from Staples, Inc. on 6/1/2006 was not reported.
4. FEC-299067: A \$2000.00 contribution to Pat Roberts for US Senate on 2/15/2007 was not reported.

5. FEC-334237: This report omitted three political contributions from ASLRRA-PAC: (a) a \$1,709.57 in-kind expenditure for fundraiser costs for Moran for Kansas incurred on 1/8/2008; (b) a \$1,000 contribution to Citizens for Altmire on 3/14/2008; and (c) a \$500 contribution to Knollenberg for Congress Committee on 3/26/2008.
